Payment Policy

All patients must complete our Patient Payment Registration form prior to seeing our medical providers

Thank you for choosing Cooper Family Medical, PLLC as your primary care provider. We are committed to providing you with quality and affordable health care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have been advised to develop this payment policy. Please read it, ask us any questions you may have, and sign in the space provided. A copy will be provided upon request.

	Please initial each statement below
<p><u>All Payments Due at Time of Service</u> This office maintains a pay at time-of-service policy. You will need to know your insurance policy in advance in order to be aware of the portion of your visit for which you will be responsible. If you accrue a credit balance, we will maintain that credit balance on your account and apply it to a future balance that may accumulate. If a credit balance exceeds \$30.00, we will refund the credit by check to the address on your account. The policies are designed to comply with the Fair Debt Collection Practices Act and any applicable state laws. If your account goes to collections, we will no longer provide medical services to you, at which time you will then be discharged from Cooper Family Medical.</p>	
<p><u>Regarding Insurance</u> Regarding insurance plans where we are a participating provider, all payments are due including but not limited to deductibles from previous visit copay, and/or non-covered services and will be collected upon your arrival. Your insurance policy is a contract between you and your insurance company. We are not party to that contract, and we cannot bill your insurance unless you provide timely, clear, and accurate insurance information. If you have new insurance, or a change in insurance plans, you must provide us with clear and accurate insurance information within 30 days of your visit for your insurance to be billed. If you are unable to provide this information within 30 days, you will be responsible for any visits that may have occurred.</p>	
<p><u>Statements & Claim Submission</u> We will submit your claims and assist you in any way reasonable to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. We will send you a statement should you have a balance with our office. If no payment is received within 30 days, an additional statement may be mailed. When you receive your explanation of benefits from your insurance company showing any patient responsibility, you have received your first statement. There will be a \$35 charge for a check denied by your bank and returned to the office for any reason. If your account is over 90 days past due for nonpayment, you will receive a letter stating you have 30 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware if your account remains unpaid, we may refer your account to the three major credit bureaus which may adversely affect your credit.</p>	
<p><u>Minor Patients</u></p>	

<p>The adult accompanying a minor and the parents (or guardian) of the minor are responsible for full payment. If a balance accrues at any time, it is your financial responsibility to arrange ahead of time to transfer copayments, coinsurance amounts, and deductibles to the parent or guardian who brings the child to the office visit.</p>	
<p><u>Divorced Parents/ Legal Custody Issues</u> The adult accompanying their child to our office for an appointment is responsible for payment. Arrangements for court orders or any legal payment arrangements amongst parents must be worked out before your child's appointment. If a separate parent is responsible for payment, we are not party to this arrangement. Payment is due in full at the time of service, and we will prepare a receipt of payment verification purposes.</p>	
<p><u>Appointment Reminders and Missed Appointments</u> Your signature authorizes us to attempt to contact you 24 hours prior to your appointment with our office. We are not able to guarantee a reminder call for each visit, but we will certainly try.</p> <p>Unless canceled or rescheduled at least 24 hours in advance our policy is to charge the person who is scheduled for the appointment a missed appointment fee at the rate of \$50.00. Please help us serve our entire patient population best by keeping scheduled appointments. Patients who miss three or more appointments without a 24-hour notice may be dismissed and may no longer receive medical treatment at our medical practice.</p>	

Cooper Family Medical, PLLC is committed to providing the best treatment to our patients. Our prices are representative of the usual and customary charges for our area.

Thank you for understanding our payment policy. Please let us know if you have any questions or concerns.

Patient Care Contract:

The team at Cooper Family Medical works hard to give you the best possible care while you are a patient at our office. In order to have the best information to do this, we need certain key details that give us the best information to manage your health. Regular annual wellness visits performed each year with routine lab work is a valuable insight into your current health. Additionally, preventative screenings are critical to catching early diagnoses to ensure the best possible outcomes. We encourage you to discuss any concerns you may have about these events and any other health related items at any visit with your provider.

We understand that every now and again you may be unable to follow through with the needed items to manage your health. We encourage you to complete these tests as soon as you are able to do so. Without this information, we are limited in our ability to properly care for you as a patient. If at any time we feel that the lack of information impedes our ability to safely take care of you, we will reach out to discuss. Routine failure to complete these valuable tests may result in dismissal from the practice in extreme cases. Please feel free to discuss your concerns with your provider on your next visit if you have any questions about why these tests are needed.

We are so grateful that you chose Cooper Family Medical for your care and hope to have you as a patient for many years to come. Thank you!
